IV. Reports

- a. **Assessor's Report** – Written Report. Summary: The preparation for the Board of Review cases is complete. except for the twelve cases he is preparing, which tend to be more difficult to handle. First date for the hearings is December 13, 2016 and will run through January 11, 2017.
- b. **Highway Commissioner's Report** – John Shoemaker. Summary: Shoemaker reported that some general maintenance became apparent after the first snowfall of the season. He reported that one truck is down for repairs, but replacement equipment is available until it is fixed. One driver is out for jury duty, but should be available for the next snow event on the weekend. Trustee Hicks and Trustee Wells both complimented ATHD on their handling of the snow.
- c. **Supervisor's Report** – Bill Catching. Summary: Supervisor Catching reported that IT work continues at the main office and the two side doors were replaced. Catching also reported that he attended an open house for Habitat for Humanity on Pleasant Place. Supervisor Catching then invited Bette Schoenholtz, Executive Director of Senior Services Associates, to further discuss the "senior tax" referendum. Ms. Schoenholtz reported that Senior Services' funding has decreased to the point where they are no longer able to adequately serve the 4,000 seniors in Aurora. In their last budget, they

were \$200,000 short after reducing programs and staff. Ms. Schoenholtz reported that the governor's proposed changes to the Community Care program (reducing benefits to \$400/mo from \$800/mo and making it a Medicaid only program) would result in serious reductions in the services that allow seniors to stay in their homes. Ms. Schoenholtz said McHenry (61% approval) and Kendall Counties had similar referenda pass and she feels confident this measure will pass in Aurora Township. As an example of the cost to taxpayer, Ms. Schoenholtz said that a \$300,000 house would be taxed at a little less than \$25 per year. Ms. Schoenholtz also said that Senior Services is a central hub for these services across Kane County and therefore they are able to apply administration costs proportionally across the many programs they administer. Ms. Schoenholtz said that Aurora Township would decide how to distribute the funds collected through the referendum and said in other successful referenda, Senior Services received about one third of the funds collected. Catching asked what staffing presence Senior Services has in Aurora Township and what percentage of their funding is spent in Aurora Township versus other communities. Trustee Moore asked what the percentage of Senior Services' budget is allocated to administration expenses. Ms. Schoenholtz said every client is identified by the residence so that funding efforts can be tied directly to the appropriate funding agency. She said she will provide the other information requested at a later date. Ms. Schoenholtz thanked the Board for the time and reminded them that the deadline to file the referendum is January 19, 2017.

- d. **Ride In Kane Manager's Report** –Moved to the next board meeting.
- e. **Youth Services Manager's Report** – Scot Thurman. Summary: Mr. Thurman said everything is pretty much status quo. Mr. Thurman reported that he is looking to subscribe to a grants mailing list in preparation of grant application season. Mr. Thurman also said he has met with Ms. Stone (human resources) to discuss staffing needs and a possible reorganization of the current staff. Mr. Thurman also said he is working on next year's budget.

Discussion: Supervisor Catching advised the Board that this and the following two resolutions are line-item transfers to cover expenses that weren't forecast when the budget was passed. The transfers must comply with statutes that prohibit moving more than 10% of the total appropriations and all of the resolutions offered today comply. Resolution 2016-32 is required to pay for professional fees associated with the Rural Street bridge reconstruction and the slow reimbursement process through the Illinois Department of Transportation.

Motion passed by unanimous voice vote.
