Campbell Censures Justus Johnson

Salem, Ill., July 25.—(AP)—Digressing from his prepared address, Bruce Campbell, chairman of the Democratic state committee yesterday censured Justus Johnson and State Senator Earl B. Searcy for their attack on President Roosevelt and the new deal.

Speaking at the fifty-second annual soldiers' and sailors' reunion here, Campbell said:

"Think of the nerve of such men who can call the president a 'crooner' and a 'repudiator'."

The Democratic party he said had fulfilled every responsibility of government.

Today is American Legion day at the reunion and the program for the afternoon contains such names as Paul G. Armstrong, department commander and Edward A. Hayes, past national commander.

of three released from the Woodford county jail at Eureka, Ill., a few days ago, was struck and killed by a Burlington train last night, sometime before 4:30 o'clock this morning.

The body, badly mangled, was found on the Burlington right of way 300 feet north of where the E. J. & E. tracks pass under the "Q" near Sard avenue.

The victim, evidently about 40 years of age, was 5 feet 10 inches tall, and weighed 200 pounds. His right leg was severed just below the knee and his left leg just above the knee. Both arms were broken in several places, and his skull was fractured.

Because the inside of his hat was wet and splattered with dirt, it was evident the man had been struck down sometime before 4:30 o'clock, when rain started to fall.

Inquest Tomorrow.

The accident was not reported to the police until 6:20 o'clock, when a call from an unknown party came into headquarters. The body was taken by Patrolmen Harold Kellelt, William Callahan and Dale Potter to the Branch funeral home, where an inquest will be held tomorrow afternoon at 2:30 o'clock.

A letter, written on the stationery of Horace H. Baker, state's attorney of Woodford county, led to inquiries there by Chief of Police A. G. Wirz. Full information regarding the three men recently released at Eureka will be received here tomorrow morning in time for the inquest.

The missive merely stated that the "Witness must be in Eureka Sept. 3, 1935, at 1 o'clock in the morning." It was unsigned and bore no salutation.

An octagon silver plated watch, bearing case No. 3,994,504 and works No. 29,794,915, was found near the body by George Clark, 700 Lake street, and turned over to the police.

The dead man's hat had been purchased from the Killian company, at Cedar Rapids, Ia.
